Re: DLSPH Town Hall Meeting, October 13, 2010

Date: September 14, 2010

The Dalla Lana School of Public Health has undergone a change in leadership over the past summer and to that end you are invited to a meeting of all DLSPH faculty, students, and administrative staff to discuss the next steps for the School, focusing on the nature of the planned external academic review, its importance and possible outcomes.

As the School is in transition with Interim leadership, it is opportune to carefully evaluate the challenges and opportunities that exist for the School. The self-study will require input from faculty, staff and students at the School and we appreciate your cooperation and engagement in this important process. The self-study and report of the external reviewers will also be very helpful to prepare for the search for a new Director of the School that will commence by the end of 2010.

We invite you to join us to share your views and allow us to address questions of relevance to you and to the School.

Date: Wednesday, October 13, 2010

Time: 2:30 – 3:30pm

Location: DLSPH, 155 College Street, 6th floor, room 610
